

Healing Touch Level 3

♥ Intuition Development

Expand Your Healing Potential with the Full Spectrum Healing Sequence

Nurture and strengthen your ability to **access higher guidance and use inner wisdom** to deepen your energy healing practice. Enhance your practitioner preparation, self-care, and self-development by practicing the **Hara Alignment Meditation** which was developed by pioneering energy healer Barbara Ann Brennan.

Use the **Healing Touch Full Spectrum Healing Sequence**, based on the work of Brennan and renowned healer Rosalyn Bruyere. This powerful sequence utilizes **deep cleansing methods** for the first four levels of the auric field and then advances to 5th, 6th, and 7th level interventions for deeper healing work.

Work energetically with the **lymphatic system** to promote healing of many different issues. The knowledge you will gain in this class will **change your perception and empower you** to address a wide variety of conditions with your clients.

Prerequisite: Healing Touch Program Level 1 and 2 completion.
