

Healing Touch Level 2

♥ Clinical Applications

Advance Your Healing Touch Practice

Increase your skill, knowledge, and confidence in doing energy healing with others in this immersive 16-hour live class. Students work together in pairs to **exchange one-hour healing sessions** following the proven 10 Step Healing Touch Sequence used by professional practitioners.

As the provider in the session, you will:

- ✓ Conduct a detailed intake interview with your client using active listening skills.
- ✓ Perform a thorough energetic assessment.
- ✓ Use the information gathered to choose and apply Healing Touch techniques for your client's intention for healing.
- ✓ Document the intake interview and healing session using standardized forms.

The importance of **client agreement for services and professional ethics** in practice are explored. Learn and experience **additional Healing Touch techniques and sequences** intended for deeper healing. Whether you're a seasoned practitioner or new in your journey, this class offers an incredible opportunity for growth, transformation, and personal development.

Prerequisite: Healing Touch Program Level 1 completion.
