Healing Touch ~ Energy Healing for Body, Mind, Emotions, Spirit

Healing Touch is a holistic approach to health and wellness that focuses on balancing and optimizing the flow of energy within the body to **facilitate the natural self-healing process**. Energy healing is very effective and widely used in health care, private practices, and homes.

In this class you will experience working energetically to support healing in yourself and others. **Anyone can learn** to use Healing Touch and there are no prerequisites.

Learn about the human energy system and the framework to use energy healing for physical, mental, emotional, and spiritual health. Expert instruction and student exchanges provide **knowledge** and help you develop **skill and confidence**.

ABOUT THE HEALING TOUCH LEVEL 1 CLASS

- This **highly experiential and interactive live 16-hour** class is structured to foster deep personal & professional growth.
- Provides 16 ANCC nursing CE hours.
- Explore the subtle human energy system & **practice sensing & assessing** it.
- Healing techniques are demonstrated and then **exchanged in student pairs** so every-one in the class experiences receiving and providing the techniques.
- **Group sharing and discussion** deepens learning and supports connection.
